This agreement made pursuant to an item in  
the sundry civil act of Congress, approved  
August 7,

1882, by Newton Edmunds, Peter C.  
Shannon, and James H. Teller, duly  
appointed

commissioners on the part of the United  
States, and the different bands of the Sioux  
Indians by

their chiefs and headmen whose names are  
hereto subscribed, they being duly  
authorized to act in

the premises, witnesseth that—

## ARTICLE 1.

Whereas it is the policy of the Government  
of the United States to provide for said  
Indians a

permanent home where they may live after  
the manner of white men, and be protected  
in their

rights of property, person and life, therefore  
to carry out such policy it is agreed that  
hereafter the

permanent of the various bands of said  
Indians shall be upon the separate  
reservations hereinafter

described and set apart. Said Indians,  
acknowledging the right of the chiefs and  
headmen of the

various bands at each agency to determine  
for themselves and for their several bands,  
with the

Government of the United States, the  
boundaries of their separate reservations,  
hereby agree to  
accept and abide by such agreements and  
conditions as to the location and boundaries  
of such

reservations as may be made and agreed  
upon by the United States and the band or  
bands for

which such separate reservation may be  
made, and as the said separate boundaries  
may be herein  
set forth.

## ARTICLE 2.

The said Indians do hereby relinquish and  
cede to the United States all of the Great  
Sioux

Reservation— as reserved to them by the  
treaty of 1868, and modified by the  
agreement of

1876—not herein specifically reserved and  
set apart as separate reservations for them.

The said

bands do severally agree to accept and  
occupy the separate reservations to which  
they are herein

assigned as their permanent homes, and they  
do hereby severally relinquish to the other  
bands

respectively occupying the other separate  
reservations, all right, title, and interest in  
and to the

same reserving to themselves only the  
reservation herein set apart for their separate  
use and  
occupation.

## ARTICLE 3.

In consideration of the cession of territory  
and rights, as herein made, and upon  
compliance with

each and every obligation assumed by the  
said Indians, the United States hereby agrees  
that each

head of a family entitled to select three hundred and twenty acres of land, under Article 6, of the treaty of 1868, may, in the manner and form therein prescribed, select and secure for purposes of cultivation, in addition to said three hundred and twenty acres, a tract of land not exceeding eighty (80) acres within his reservation, for each of his children, living at the ratification of this agreement, under the age of eighteen (18) years; and such child, upon arriving at the age of eighteen years shall have such selection certified to him or her in lieu of the selection granted in the second clause of said Article 6; but no right of alienation or encumbrance is acquired by such selection and occupation; unless hereafter authorized by act of Congress.

#### ARTICLE 4.

The United States further agrees to furnish and deliver to the said Indians twenty-five thousand cows, and one thousand bulls, of which the occupants of each of said separate reservations shall receive such proportion as the number of Indians thereon bears to the whole number of Indian parties to this agreement. All of the said cattle and their progeny shall bear the brand of the Indian department, and shall be held subject to the disposal of said department, and shall not be sold, exchanged or slaughtered, except by consent or order of the agent in charge, until such time

as this restriction shall be removed by the Commissioner of Indian Affairs.

#### ARTICLE 5.

It is also agreed that the United States will furnish and deliver to each lodge of said Indians or family of persons legally incorporated with them, who shall, in good faith, select land within the reservation to which such lodge or family belongs, and begin the cultivation thereof, one good cow, and one well broken pair of oxen, with yoke and chain, within reasonable time after making such selection and settlement.

#### ARTICLE 6.

The United States will also furnish to each reservation herein made and described, a physician, carpenter, miller, engineer, farmer, and blacksmith, for a period of ten years from the date of this agreement.

#### ARTICLE 7.

It is hereby agreed that the sixteenth and thirty-sixth sections of each township in said separate reservations shall be reserved for school purposes, for the use of the inhabitants of said reservations, as provided in sections 1946 and 1947 of the revised statutes of the United States.

It is also agreed that the provisions of Article VII of the treaty of 1868, securing to said Indians the benefits of education, shall be continued in force for not less than twenty (20) years, from and after the ratification of this agreement.

#### ARTICLE 8.

The provisions of the treaty of 1868, and the agreement of 1876, except as herein modified, shall continue in full force.

This agreement shall not be binding upon either party until it shall have received the approval of the President and Congress of the United States.
